APPRECIATION LETTER -Script Jackers

Date : 08 October 2026

To,
Arman Mishra
Script Jackers

Subject: Appreciation for Contribution to the HackVerse CTF Platform

Dear **Arman Mishra**,

On behalf of **Ginius Cyber Security Council**, we would like to express our sincere appreciation for your valuable contribution towards the **creation and development of the CTF (Capture the Flag) platform** for the upcoming **HackVerse Hackathon**.

Your technical expertise, dedication, and efforts in developing and supporting the platform are playing an important role in helping us create an engaging, challenging, and practical **cybersecurity experience** for all participants.

We truly appreciate your commitment to the project and the time and effort invested in building a reliable and interactive CTF environment for HackVerse. Your contribution reflects strong technical expertise, collaboration, innovation, and a genuine commitment to promoting **practical cybersecurity learning and hands-on challenges**.

We are grateful to have **Script Jackers** as a technical contributor and CTF platform partner for **HackVerse**, and we look forward to a successful event and continued collaboration on future cybersecurity initiatives.

With sincere appreciation and best wishes for your continued success.

Warm regards,
Ginius Cyber Security Council
